set up this account to raise money for my brother and
-enderson's children and grandchildren.
nui Gallow and her husband Melvin Gallow along with

Urgency raises money faster

Urgent need campaigns set higher Target

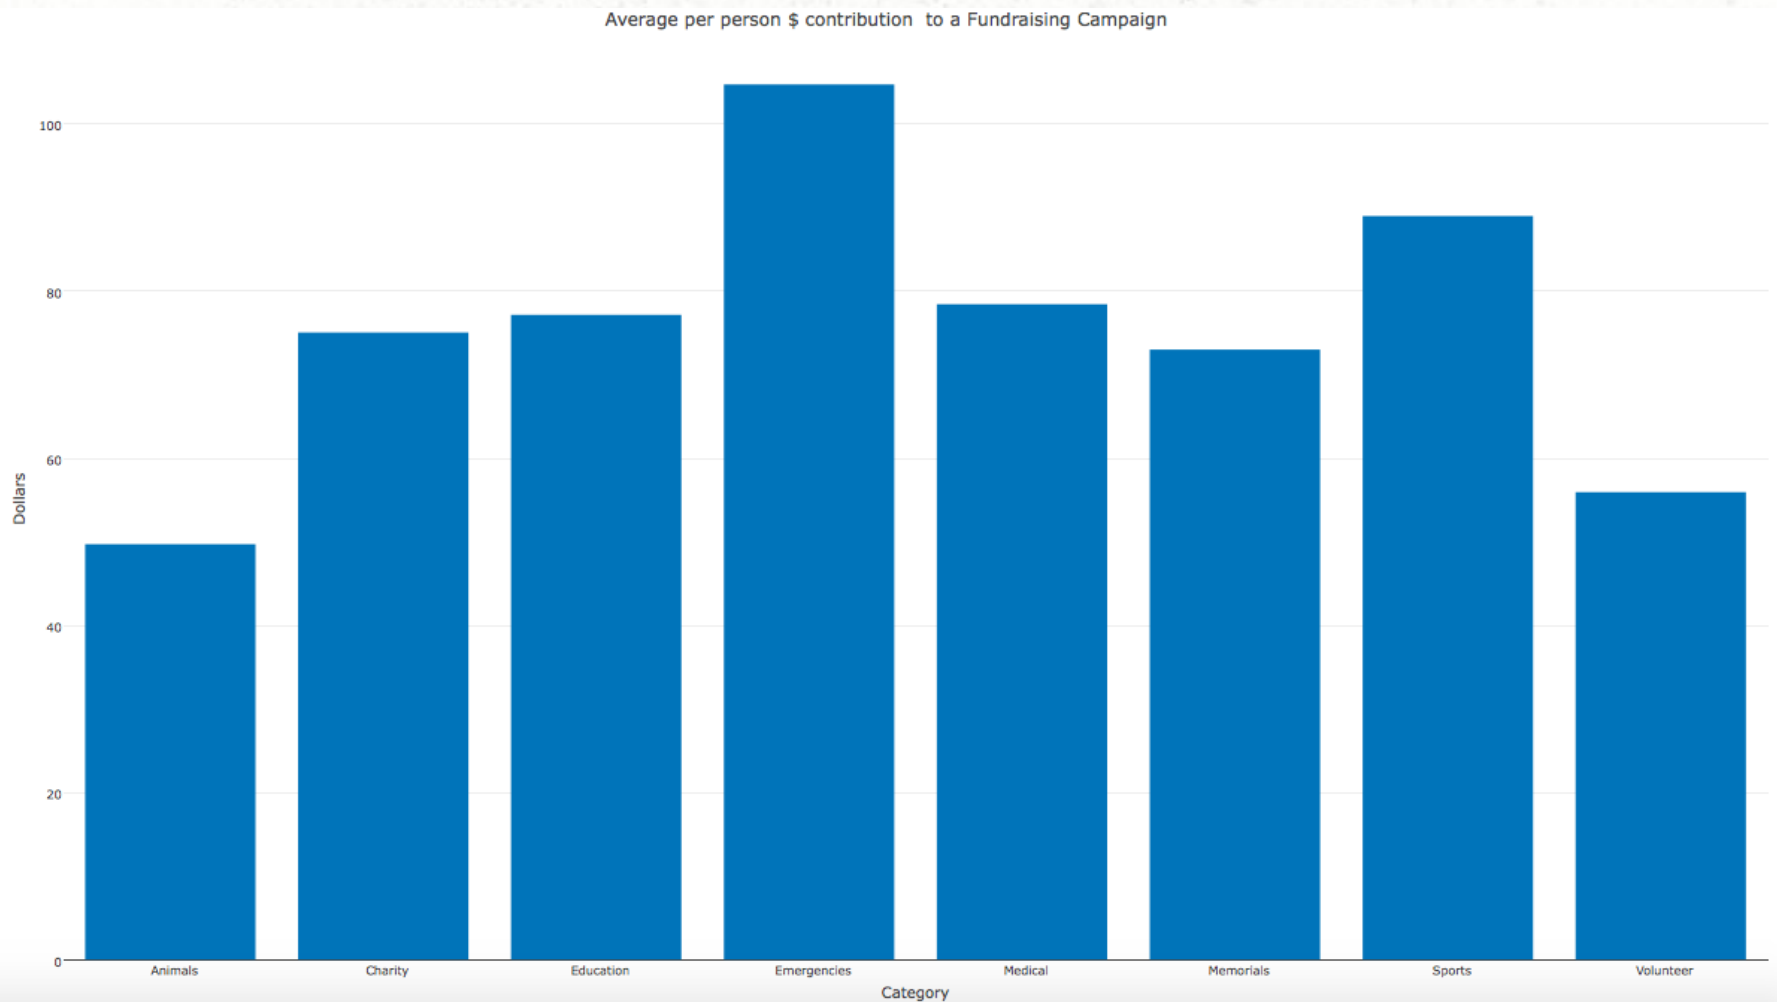

All categories have almost same completion status

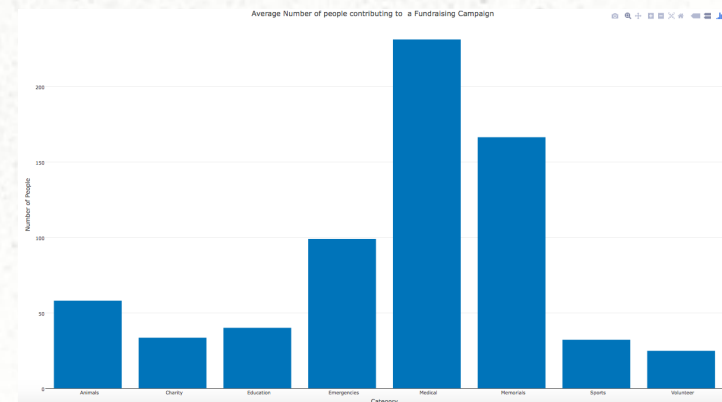

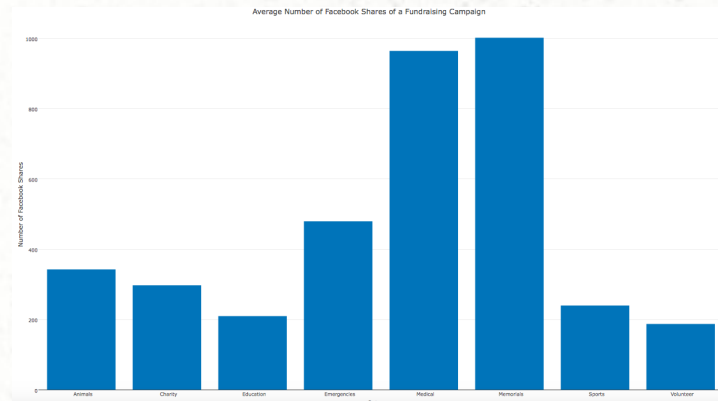

Average current completion percentage of a Fundraising Campaign

Average person contribution is also similar for all categories

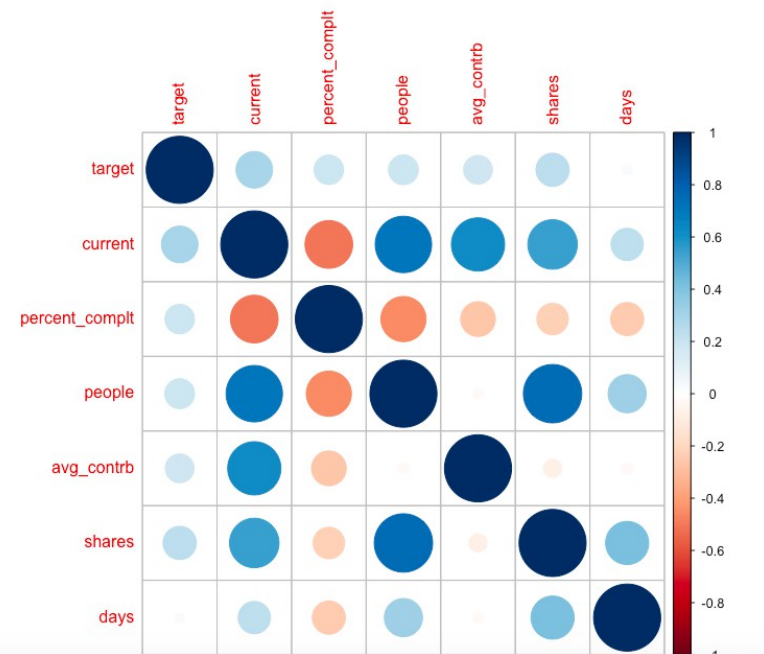

Urgent need campaigns have more activity

Sharing on social media influences funding a lot

Other factors also influence funding among subcategories

Conclusions

- Urgency raises money faster
- Urgent need campaigns set higher Target
- All categories have almost same completion status
- Average person contribution is also similar for all categories
- Urgent need campaigns have more activity
- Sharing on social media influences funding a lot
- Other factors also influence funding among subcategories

Future Work

- Feature selection from title (NLP)
- Feature selection from story section (NLP)
- Time series analysis of donations
- Machine Learning for predictive modeling
